Dear Parent/Carer,

We'd like to remind you of our upcoming New Intake Parents' Evening on **Thursday 16<sup>th</sup> April 2026**. This evening is our first opportunity to give you important information about your child's transition to secondary school.

The programme for the evening is as follows:

- |                        |   |
|------------------------|---|
| <b>6.00pm</b>          | Presentation with Head of School, Miss Gemma Pearse.  |
| <b>6.30pm – 7.00pm</b> | Opportunity to meet the Senior Leadership Team and ask any questions that have not been answered. |

This event is likely to be busy, therefore whilst you are welcome to bring your child, their attendance is not essential.

Parking will be limited, so bear this in mind when making travel arrangements.

We look forward to seeing you soon.

Yours sincerely,
