Dear Candidate

TRAFALGAR SCHOOL: TEACHER OF MATHS

Thank you for your interest in the above post. Please find information about our school on the website www.trafalgarschool.org.uk

As a UNICEF Rights Respecting School we are a socially responsible and collaborative school committed to the development of every member of its learning community. We are a very inclusive school in which all our students successfully access a broad and balanced curriculum. Since 2015 we have increased our NOR from 380 to nearly 1000 and are oversubscribed in Key Stage 3 with a waiting list in every year group.

This post offers the opportunity to join the school at a very exciting point in its development. In September 2015 the school became co-educational and took in its first cohort of girls. Our aim is to provide an all-round educational experience and we are committed to the success and excellence for all our students. In May 2018 we were inspected by OFSTED and judged to be a 'good' school. We are enjoying the next stage of our journey (to become outstanding!) and continue to receive incredible feedback about our child centred approach; most recently Trafalgar School has been asked to lead relational practice within education across Portsmouth

We would like to appoint a committed, energetic and enthusiastic Teacher of Mathematics who will join a strong Mathematics Department at an exciting stage in its development. Results have improved rapidly in Mathematics over the last two years and are predicted to rise further.

It is expected that the successful candidate will have the drive to inspire students to achieve the best possible results and be a good communicator, able to interact effectively with a wide and diverse group of people. Applicants should demonstrate a well thought out philosophy of education which reflects the needs of all learners and to play a full part in the life of the school community, to support its distinctive mission and ethos and to encourage and ensure staff and students follow this example.

Most importantly, as far as personal characteristics are concerned, we would like to find someone with warmth, enthusiasm, flexibility, and a generosity of spirit. Last, but by no means least, a sense of humour is essential!

Candidates should return the completed application form with a letter of application by Friday 10th June 2022 (noon)

Please include in your letter: -

1. What attracts you to this post.
2. Previous experience and skills that will help you to undertake this role.

Yours sincerely

Claire Copeland
