

# Parent Bulletin

10<sup>th</sup> November 2023

Welcome to the latest edition of our Parent Bulletin.

Year 11 have made a brilliant start to their Mock Exams and we have seen great effort and attitude from them all. Let's all continue working together to maintain that high level of effort for the second week of Mock Exams.

This week our students took part in an assembly to mark Remembrance Day, also known as Armistice Day, commemorating the end of World War One when an agreement to stop fighting was reached on the 11<sup>th</sup> hour, of the 11<sup>th</sup> day, of the 11<sup>th</sup> month in 1918. It is held to remember all those who have died in wars since and is marked by a two-minute silence at 11:00am. Students discussed the significance of this day, before respectfully observing a two-minute silence at 11am on Friday, so we could remember as a community.

A reminder of our Year 9 Parents Evening coming up on the 23<sup>rd</sup> November. These events are a great opportunity to learn how your child is progressing and discover ways we can work together to support them in achieving the best grades they can. Information will be sent out nearer the time on how to book your appointments with your child's teachers.

Stay safe and take care,

## Team Trafalgar

## Presentation Evening 2023

It was great to see so many of our alumni students last night as we came together to celebrate student achievement across all years.

We are incredibly proud of all our students and can't wait to see what they'll do next!

# Maths Department Update

Our lovely Year 8s have been looking at the impact of enlarging shapes by a scale factor, and simplifying algebraic expressions.

Year 9s have been putting their skills to the test using maths equipment to bisect (half) angles. Before half-term our Year 10s completed their Landmark Assessments; students then had the opportunity to look at their papers and make the necessary corrections based on their results.

Year 11s are working hard revising for their mock exams and particularly focusing on solving simultaneous equations and revising sequences.

# Trafalgar receives prestigious Artsmark Award

Pupils and staff at Trafalgar School are celebrating after receiving a prestigious Gold Artsmark Award.

Artsmark is the only creative quality standard for schools, accredited by Arts Council England. It supports them to develop and celebrate arts and cultural education across the whole curriculum, bringing learning to life for children and young people.

**Artsmark  
Gold Award**  
Awarded by Arts  
Council England

To achieve their Artsmark Award, Trafalgar had to develop their arts and cultural provision to embed a broad and ambitious curriculum. This was achieved by creating an overall plan that was committed to and delivered across the whole school.

"Evidently, you place high value on the arts, and recognise that they serve to underpin your school values of Inclusion, Respect, Community, Aspiration and Resilience. There is a firm commitment to promoting the arts at Trafalgar, and to increasing your students' cultural capital and, as a UNICEF Rights Respecting School, the Duty Bearers ensure that pupils receive their right to participate in a wide range of cultural and artistic activities." The Artsmark assessor commended Trafalgar on our Activities Week, stating "Your Activities Weeks have facilitated a variety of enrichment opportunities, such as workshops with artists, theatre trips, residential abroad and gaming sessions."

On receiving the award, Mrs Copeland, Executive Headteacher said: "We're extremely proud of achieving our Artsmark Gold Award. We are committed to delivering a high-quality arts and cultural education and we look forward to continue to grow with Artsmark."

Dr Darren Henley OBE, Chief Executive of the Arts Council, said: "I would like to congratulate Trafalgar School on their Artsmark Award. Becoming an Artsmark school demonstrates that through offering a broad, ambitious and creative curriculum, young people have the opportunity to develop character and resilience, increasing their knowledge, curiosity and skills that will remain with them through to adult life."

# Duke of Edinburgh Dates and Sessions 2023/24

We are really excited to get this year's Duke of Edinburgh award under way. The location and more details about the expeditions will be sent out closer to the time, but below you will see the dates and brief overview of our sessions for the following year.

In between now and the expeditions, it is vital that students signed up for DofE attend the DofE club every Monday (Bronze) and Tuesday (Silver) after school 3-4pm in Science 8. The sessions between now and the expeditions are mandatory to passing their Duke of Edinburgh Award.

Below is a timetable of what your child can expect at the DofE club for each award, what we complete in each session is subject to change but the dates are set.

During weeks where sessions have been cancelled and over the holidays please ensure your child is uploading their evidence to eDofE. If you have any questions, or if your child cannot attend any DofE sessions, please do not hesitate to email me on [dofe@trafalgarschool.org.uk](mailto:dofe@trafalgarschool.org.uk).

Miss Nersessian and I are so excited for this year to come and we cannot wait to see the progress your child makes throughout this award.

# Zoom Sleep Course for parents

*"Sleep is as important for survival as food and water;  
yet most people know very little about this vitally important process.  
80% of children with a special educational need or disability struggle to sleep."*

Join Nickie Sutton, experienced sleep practitioner and trainer, for sessions to learn more about sleep and how you can help children sleep better.

These sessions are specially written for parents of children with additional needs and disabilities and are interactive so that your specific questions and needs are answered.

## Course

**Session 1. How and Why we Sleep.** What our brains need us to do to sleep well.

**Session 2. SEND and Sleep.** How sensory processing differences, autism, anxiety, ADHD and other conditions make sleep so much harder, and how you can help.

**Both sessions are 90 minutes long with time at the end for questions.**

**You will need to commit to attend both sessions;  
as the strategies discussed in session 2 relate back to what is covered in session 1.**

## Dates

Tuesdays 21st and 28th November 2023, 10am 12pm  
Wednesdays 6th and 13th December 2023, 7pm - 9pm  
Tuesdays 16th and 23rd January 2024, 10am 12pm
