TECH 4 LEARNERS

Student Device Provision Programme

Trafalgar School are committed to providing the best learning experience for our students, and preparing them for the wider world outside of school. We strongly believe that this means providing students with access to technology. Using 1:1 devices allows us to deliver high quality learning for our students. We know that making an investment in technology isn't always possible, and when technology is available at home, it may not be suitable to bring into school, in case of issues with security and compatibility. In order to provide seamless access to technology, we have partnered with Freedom Tech to launch the Tech 4 Learners 1:1 device programme.

It is our vision and determination that every child will have access to affordable, high quality devices which they can use in lessons and at home. Using IT safely and effectively is an essential part of everyday life for our students and we are committed to equipping them with these skills for life.

We are passionate about ensuring that all our students can have full access to this provision and would strongly encourage you to consider joining the programme.

Tech 4 Learners is a 1:1 parental contribution programme for schools run by financial solutions provider and educational specialists Freedom Tech. Freedom Tech have over 10 years of experience running hundreds of successful programmes in schools and multi-academy trusts across the country. They have a strong background in education and partner with leading manufacturers and resellers in education technology. They are financially stable and wholly owned by CSI Leasing, one of the world's largest leasing companies with over \$1.6 billion in assets.

FREQUENTLY ASKED QUESTIONS

How long can I spread payments over?

The maximum payment option will depend on how long your child has left at the school. For example; if your child is going into Year 7, 8 or 9 you can choose to spread the payments over 9, 21 or 33 months. If your child is in year 10 your maximum term option will be 21 months and year 11 will be 9 months.

Why are we using a 1:1 payment programme?

The benefits of using this programme are:

- Flexible payment options.
- Device cover, protecting the device against theft or accidental damage with no excess and with no set limit of claims.
- Easy to use, contact us ticket page to get in touch with our customer service team.
- Full ownership of the device once final payment is made.

How will I make payments?

Payments will be made via Direct Debit using an online portal provided and administered by Freedom Tech.

Is there any financial assistance available?

If you are interested in the programme but are experiencing financial hardship, or you are eligible to Free School Meals or Pupil Premium, please get in touch with the school for a conversation in confidence, and we will explore what support we can provide.

What happens if I miss a payment?

Please contact Freedom Tech if you have missed a payment using their ticket service www.freedomtech.co.uk/help/

Please note until your payment is made, your repair cover is not valid.

What happens if I can no longer afford the device?

If you can no longer afford the device, please let the school know in case of any eligibility for financial support. If this is not applicable you will need to return the device to the school and let Freedom Tech know via their ticket service www.freedomtech.co.uk/help/

What happens if my child leaves the school?

You can either pay off your outstanding balance to keep this device or you can return the device to the school and let Freedom Tech know via their ticket service www.freedomtech.co.uk/help/

Can they use the device at home?

Yes, the student can use the device to further enhance their learning and we recommend that you set your security settings on your Wi-Fi accordingly.

When will I receive the device?

Devices are due to be delivered to the school for distribution to parents/students in January. The school will be in touch when they are ready for hand-out.

Who owns the device?

The device belongs to Freedom Tech whilst the device is subject to a payment plan. The student will be able to use the device 24/7. The student will own the device once the final payment has been made.

How many devices can I order?

One device per student at the school.

Does this mean exercise books will be outdated?

Most definitely not! Traditional methods of learning and teaching still have an important place in education and will continue in our school. The device should be seen as an additional educational tool, a tool to enhance learning rather than replace these methods. This will ensure students' handwriting skills continue to be developed.

How to Request a Repair for Your Child's Device

Simply return the damaged device to the Schools IT department who will log the repair with Freedom Tech and arrange for its collection and transportation to the repair centre. Once repaired the device will be returned to school where it can be collected by the student.

The school may be able to arrange a loan device to cover the period of the repair - this will need to be returned to them. Speak to the school's IT team for more information.

Repairs in Years 4 & 5 (Ad Hoc Repairs)

- If your child's device is damaged or develops a fault during year 4 or 5 of ownership, you can still request a repair through the same process as above.
- This type of repair is not covered under warranty and will require a fixed repair and courier fee as outlined above.
- You will need to:
 - a. Return your damaged device to the schools IT department.
 - b. The finance team will then invoice you regarding the payment.
 - c. Make the payment to the school
 - d. Once payment has been made the IT department will send off your device for repair.
